Phone: +91 7305105954| **Email:** deekshitha.m2023cse@sece.ac.in| LinkedIn| Github

EDUCATION

Sri Eshwar College of Engineering	**B.E CSE**	**CGPA 8.5(Upto 2nd Semester)**	**2023-2027**
Cheran Matric Higher Secondary School	**HSC**	**95.5%**	**2021-2023**
Cheran Matric Higher Secondary School	**SSLC**	**PASS**	**2020-2021**

INTERNSHIP

WEB DEVELOPMENT OCTANET-2024

Collaborated on designing and implementing web applications using HTML, CSS, JavaScript, and React.js. Developed responsive designs, debugged functionality issues, and participated in code reviews. Optimized web content for SEO and gained experience with Git and collaborative coding practices.

PROJECTS

FOOD FEAST   2024

FoodFeast is a platform that manages food donations, ensuring safe delivery with spoilage detection sensors and promoting sustainability through responsible decomposition of unused food. It bridges surplus food with those in need, reducing waste and combating hunger effectively.

Tech stack: HTML,CSS,JS
Tool:Visual Studio Code

VEHICLE BOOKING AND ALLOCATION   2024

The Vehicle Allocation and Booking System is a comprehensive solution designed to streamline vehicle management by enabling users to request, book, and release vehicles efficiently while ensuring real-time visibility into availability. This system is ideal for organizations seeking to optimize resource utilization, prevent booking conflicts, and achieve seamless vehicle management.

Tech stack: Java ,SQL

Tool: Eclipse ,SQL workbench

FREELANCE JOB MARKETPLACE   2024

The Freelance Job Marketplace aims to provide a simple platform where clients can post jobs, and freelancers can apply for them, enabling collaboration in a structured and user-friendly way. The project focuses on creating an interactive application that supports essential features like posting jobs, managing applications, and viewing job details. By offering an intuitive console-based interface, the system ensures that users can navigate and perform tasks efficiently.

Tech stack: Java ,SQL
Tool: Eclipse ,SQL workbench
